Nelson Invitational Sale

**GENESEO,
ILLINOIS**

Welcome to Nelson Farms . . .

We hope you will come to Nelson Farms on November 14th, that you will bring your family and friends and that the day will prove most pleasant and profitable to you.

This is our first annual Invitational Sale and we believe this is an offering that will prove an attraction to the beginning breeder as well as to the veteran producer who is anxious to work improvement in his herd. Each consignor has dug deep to consign some of his best females that would ordinarily be kept for herd replacement. We think that you will agree that our guest consignors constitute some of the most respected names in the Shorthorn industry and that each has a reputation for producing high quality animals under the most natural conditions.

Be with us on November 14th. I think you will find it worth your while.

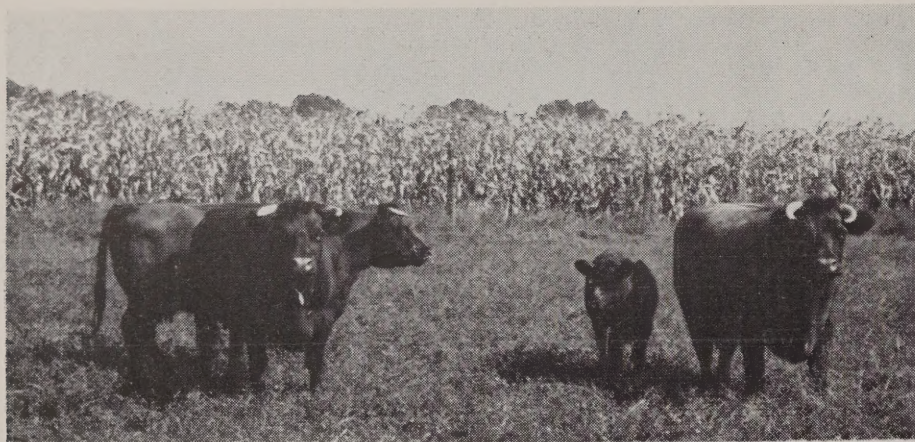

Willard Nelson.

Glen Bratcher, Willard Nelson and Ralph Heineman are shown with a few of the trophies won by a pen of Nelson Farms Shorthorn steers at the 1957 Arizona National. These were the first Shorthorn feeders to ever be exhibited at Phoenix.

Cover Picture

On the cover we see Miss Marilyn Van Derbur, Miss America of 1958, with Willard Nelson and the 1958 Arizona National grand champion pen of Shorthorns that won over 26 pens of all breeds.

— General Information —

TIME—November 14, 1959. Sale of club calves will start at 10:00 a.m. Central Standard Time. Sale of registered cattle will start at approximately 1:30 p.m. Calves are sold at a calf-a-minute clip so come early.

LUNCH—Will be served on the grounds.

LOCATION—Sale will be held at Nelson Farms, three miles east of Geneseo, Illinois, on the middle road. Watch for sign on U.S. Route 6.

TERMS—The terms of this sale are cash unless other arrangements are made with the owners before the sale commences and the sale manager is notified of the arrangements. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

HEALTH—The herds that are consigning to this sale all practice calfhood vaccination. All adult animals have been tested for Bang's Disease within 30 days of the date of this sale. Health certificates will be provided on sale day.

GUARANTEE—The registered cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Ass'n. A provision of this guarantee is that notice of failure to breed shall be given within six months of the date of this auction sale.

CERTIFICATE OF REGISTRY—A certificate of registry from the American Shorthorn Breeders' Ass'n Herd Book will be furnished

with each registered lot and the certificate will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

MAIL BIDS—Those wishing to buy at this sale who cannot arrange to be present may send their bids to the sale manager, Bill Stunkel, 16 South Locust St., Aurora, Ill.; Col. C. D. Swaffar, Tulsa, Okla.; Kenneth Fulk, American Shorthorn Breeders' Ass'n, Live Stock Exchange Bldg., Omaha 7, Nebr.

AUCTIONEERS—Rolland Lindsey, Woodhull, Ill., and C. D. Swaffar, Tulsa, Okla.

RINGMEN—Robert Lindsey, Andover, Ill.; Roy Wagener, Bellevue, Iowa; Eddie Lindskog, Prophetstown, Ill., and Gene Rainbolt, Chicago Daily Drivers Journal.

SALE MANAGER—Bill Stunkel, The Shorthorn World, 16 South Locust St., Aurora, Ill.

LIABILITY—Each transaction in this sale will constitute a contract between buyer and seller of each lot. The auctioneers, clerk and the sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accident that may occur. Every effort will be provided for the comfort and safety of those attending this sale, but sellers cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by consignors or from information supplied by them.

NOVEMBER 14

The female offering includes:

Two cows with calves

Two cows with calves and rebred

24 bred heifers

16 open heifers

The scene below shows a few of the Shorthorn steers in the Nelson Farms' feedlots. Because the Nelsons are veteran steer feeders as well as carlot exhibitors they know the kind it takes to satisfy the packer. This is the type that they have strived to produce in their registered herd and is the type embodied in their 26-head registered consignment.

Melbourne Fortress is a son of the \$8,000 Louada Fortress and out of Louada Princess Royal 4th, a \$2,700 daughter of Calrossie Armada. This bull has bred well in the T. W. Gavin & Son herd as a bull with such a pedigree should. Two sons and 10 daughters sell in this sale and they are his finest recommendation.

Louada Fascinator is by the great Calrossie Armada. He was second as a senior calf at the 1954 Royal Winter Fair and third at the 1954 International. He sired the reserve champion pen-of-three bulls at the 1959 National Western that sold for the top price of \$1,050 each to Richard Bird, Coldwater, Kans. To date all Louada Fascinator sons have sold for an average of \$900. Two sons and six daughters sell in this sale.

Bulls at 1959 National Western**

Marellbar Rotarian is the first son of Kair Ranger. His dam produced Marellbar Verbena, second-prize heifer at the 1958 Royal Winter Fair and 1958 International where she was also reserve senior champion. Rotarian was one of the first-prize group of three calves at the Royal Winter Fair and a member of the first-prize get-of-sire at the 1959 National Western. Six heifers sell in this sale carrying his service. Rotarian is one of the thickest and best rear-ended bulls ever used in the Gavin herd.

Louada Camouflage is a double-bred Calrossie Armada. His sire, Louada Factor, has left a great group of calves both at Louada Farms in Ontario and at Hi Ho Farm, Phoenix, Maryland. His dam is from a good line of Kirkton cows and is a full sister to Louada Cavalier, now producing champions for Lloyd Burr & Son, Lone Tree, Iowa. Two daughters sell in this sale.

Drynie Neum is an exceptionally deep-bodied, good fleshed bull that has the natural smoothness that is desired in every herd bull. He has stamped every calf with an ability to gain and put on meat with his own natural smoothness. He sired the champion female of the Illinois State Fair Junior Show in 1957, 1958 and 1959. His dam is Drynie Nonpareil 41st by Naemoor Immaculate.

Aldie Chief Adonis is by the noted Calrossie Adonis and out of a good Kair cow. Few bulls have bred more consistently true to type than this bull. H. L. Wernicke & Son have sold many sale champions by this sire and his sons are now working improvement in numerous herds. The best testimonial of the Adonis bloodline is the praise of those breeders who are using one of his sons.

Scotsdale Lyttleton is a great headed, good boned, deep quartered grandson of Calrossie Prefect. He sired Inness Expert, 1959 Illinois State Fair Land Of Lincoln reserve grand champion bull. Expert, the first son of Lyttleton, was second in class at the 1958 state fair and a championship winner this year. Scotsdale Homeric, his sire, is an outstanding son of Calrossie Prefect also the sire of Scotsdale Jupiter, 1957 International grand champion. Scotsdale used Homeric heavily until he was sold to Archwood Farms. His dam is also the dam of Scotsdale Macbeth now used by Carl McKenzie, Armington, Ill.

Louada Gondolier is a soggy, good-headed son of the great Bapton Constructor, world's record-priced Shorthorn bull and sire of the 1958 International grand champion, Louada Bomber that sold for \$13,000 in the 1958 Louada Sale. The Constructor line is becoming a powerful influence for the improvement of the breed in North America. You can infuse this line in your herd through the purchase of any one of the 10 Nelson Farms' females that sell carrying Gondolier's service.

Cruggleton Jennings, the bull pictured above, is the grandsire of Lot 1. He was purchased at \$2,000 in the 1954 Marellbar Sale. He has left many good daughters in the Gavin herd and six of the females in this sale trace back to this sire. The 1957 state sale champion was a daughter of this bull and the 1958 state sale champion was by the sire of Lot 1.

Nelson Farms 7th Annual Shorthorn Club Calf Sale

at the farm

Geneseo, Illinois

Saturday, November 14, 1959

150 Fancy Steer Calves

This is the best group of calves that we have sold to date . . . this group is filled with good champion prospects. All the calves will be vaccinated for shipping fever, Black Leg and malignant Edima. The offering includes the pick from our own large herd plus the top calves out of some of the best herds in the West. All calves by top quality, registered bulls. Many out of registered cows.

Miss America, Willard Nelson and the 1958 Arizona National grand champion pen of feeder calves over all breeds. These are the kind we will sell in the club calf division of our November 14th sale.

SALE FACTS

Time: Sale starts promptly at 10:00 Central Standard Time. Calves will be sold at a calf-a-minute clip so come early. Calf sale to be followed by a 54-head sale of registered bulls and females. Many of these ideal for 4-H and FFA members who want to build on top quality.

Location: Sale at Nelson Farms, three miles east of Geneseo, Ill., on the middle road. Watch for sign on U.S. Route 6.

Terms: All calves will sell for cash. Calves may be left for three days following sale.

Auctioneer: Rolland Lindsey, Woodhull, Ill.

Lunch: Served on the grounds.

Nelson Calves Are Winners

Here are a few of the major winnings by steers purchased in the 1958 Nelson Farms Club Calf Sale:

Champion Shorthorn and reserve over all breeds at the Section 3 FFA Show, Princeton.

Champion and reserve champion Shorthorns at the strong Henry County Fair termed the best Shorthorn steer show, outside a major show, seen by Judge John Sheets.

Champion Shorthorn at the Mississippi Valley Fair, Davenport, Iowa.

At left is a typical Nelson club calf after he has been properly fitted. This one was an interbreed champion.

PS Senator is shown above. This steer was the grand champion Shorthorn at the Pennsylvania National, champion of the open show at the Eastern National, reserve champion of the breed at the International for Penn State and Nelson Farms last year.

Champion and reserve champion Shorthorns and reserve over all breeds at the Geneseo Baby Beef Show (165 steers competing).

First-prize winner at Ohio State Fair, shown by Penn State University.

In addition there were many other top ranking steers and local shows that originated from Nelson Farms.

WHY BUY AT NELSON FARMS?

There is a reason why more and more young men and women buy their steer calves at Nelson Farms each year and why this sale has become the nation's top Shorthorn club calf sale.

First of all—the quality is always good.

Secondly—only strong, healthy calves are offered.

Thirdly—the selection is large.

Fourthly—there are calves sold to suit each each buyers pocketbook. While this sale has been one of the top-averaging sales in the nation, calves sell in a wide price range (at least a third sell below \$160) so that every youngster has a chance at a good one. Many of the lower-priced calves have been major winners.

Last—Nelson calves are profitable. Many buyers have purchased in each of the six sales. Repeat business is a sale's great recommendation.

Willard Nelson with a champion load of Shorthorn fat steers. The Nelsons have exhibited carlots at many major shows and know the kind of steer it takes to please the judges.

The NELSON STORY . . .

By BILL STUNKEL, Editor

THE SHORTHORN WORLD

From a 4-H project to one of the Midwest's largest commercial and registered Shorthorn herds is the saga of Nelson Farms. It is a story that could serve as a pattern for any ambitious young 4-H or FFA member for it proves the great opportunities that exist in the Shorthorn industry for those with the determination to get ahead.

The first registered Shorthorns came to Nelson Farms in 1948 following Willard's successful experience with Shorthorn steers as a 4-H project. His club projects demonstrated to Willard that Shorthorns were the most profitable beef breed . . . the "opportunity" breed for those who wish to advance in the cattle business.

Feeding the docile, quick-gaining Shorthorns was so enjoyable that the Nelsons tried their hand in major carlot competition and exhibited many champion loads of Shorthorns at the American Royal and at the International.

As the herd was expanded Willard began his annual club calf sales to help distribute better calves to junior showmen and to demonstrate to them the superior characteristics of the breed he loves. These sales have become the largest and best in the Shorthorn breed. Many young men have been encouraged to start registered Shorthorn herds as the result of these sales.

In 1957 and 1958 Nelson Farms exhibited pens of feeder calves at the Arizona National where their Shorthorns topped all breeds each year. This was another step in the Nelson program of breed promotion.

And now, finally, a long dream is being realized with the advent of the first annual Nelson Farms' Invitational Sale of registered Shorthorns to be held in conjunction with the annual club calf sales. Now veteran breeders as well as junior showmen have an opportunity to buy the bloodlines that have proved so successful for so many young exhibitors.

There is a great future in the Shorthorn industry for YOU. Attend this sale for it is designed for those who wish to get ahead in the cattle business.

Here we see a few of the Gavin Sale heifers walking toward the neat,
well-improved Gavin farm yard.
